CORPORATE PURPOSE

Is NET ZERO achievable without 'Corporate Purpose'?

*"It is not because things are difficult that we do not dare,
it is because we do not dare that things are difficult."*

~ Seneca, 64 AD Roman Stoic Philosopher ~

Join us as we explore the challenging
reality of delivering on Net Zero:

1. Is ESG a 'sufficient' framework?
2. Why is Corporate Purpose increasingly a precursor for transformational change?
3. Sustainable Leadership & Culture
4. What is Sustainable Value Creation: Shareholders & Society?
5. How can Net Zero & Corporate Purpose enable competitiveness & survivability?
